FAQs & Pricing

? What's the difference between the Essential and Pro plans?

Both plans give access to the core content and tools in our Premium Service. The Essential plan is a self-service, single-user solution. The Pro plan is for those who want (part of) their team to have access as well as getting exclusive trend-content such as Industry Heatmaps, calls with analysts, access to Academy, and opportunities to collaborate on projects.

? How do you analyze trends and innovations?

We have a proprietary methodology we use to analyse and spotlight trends called Purpose-Driven Innovation.

? Does your platform provide data and statistics?

No. We are a purely qualitative service.
